HOW TO GIVE A GIFT CERTIFICATE:

1. Download the gift certificate jpg at the link provided in the email.
2. If you want to print out the gift certificate for giving, write in the value and code (which should be GIFT #####) by hand. If you plan on emailing the gift certificate to the recipient and have a photo editor, add in the value of the gift certificate and the GIFT ##### code. If you can't do that, be sure to include the code and value to your lucky recipient in the email.
3. Send the gift card with the code and the value to your friend. You will need to conduct individual transactions for each gift recipient.
4. Have the recipient email sales@twistcollective.com with this information and the pattern(s) they would like. The download link will be emailed to them.

Thank you and happy knitting!
