Happy Friday Twistfans! I have to tell you, this is a very happy weekend for me. This past week was my last one as a graduate student. It was a tough one, I had to spend a lot of time looking at [calming manatees](#) on the internet and listening to the soundtracks of musicals to get through my last papers. I don't know what the next adventure will be, but I do know that knitting - and wearing knitted things - will continue to remain a major part of my life.

[This delight](#) is on my list. Is it on yours?

I love the sideways lace, the welted hems, the elegant belt and off-centre closure. It's a quirky sweater, but still really easy to wear.

I see it paired with things with simple shapes, with something just a little offbeat. A lucite purse, a cutout-collar, a dip-dyed hem. See?

How will you wear [Viridis](#)?
