

It's a little grey and rainy here today. If it's gloomy in your neck of the woods, [this](#) should help. We're giving away awesome sock prize packs! Kate's cool [Sideswipe](#) sock pattern, and [Simply Socks Poste](#) yarn in either the Gold Coast or Vegas Strip colorways will make their way to two lucky knitters.

Your challenge is a really fun one! Post a photo of yourself with a sock puppet (even better if it's with a sock that you knitted!) as a comment on today's post on [facebook](#) our Simply Socks discussion thread in our [Ravelry](#) group. You have until the end of the business day Wednesday.

To start you off, here is a silly one of me (Carly) with a snake-puppet made from my [Empoisonnee](#) sock. Fittingly, this pattern is from our premiere issue!
