

Today's giveaway is brought to you by [indigodragonfly](#)! (This is Carly speaking) I have to tell you, I fell in love with these yarns before I was even involved with Twist. Not only are they totally gorgeous, but the colorways are titled with nerdy pop culture references, like to Star Trek, Buffy the Vampire Slayer, Doctor Who, and Sesame Street.

You get to choose your own nerdy-named prize, because what we have for you is a whopping \$100 gift certificate for you to use in the [indigodragonfly online shop](#)! Plus you get a free [Twist Collective pattern](#) of your choosing. For inspiration, check out some of the projects that we have published using indigodragonfly yarns.

If you were naming colorways, where would you look for inspiration? A tv show, a science textbook, architecture, art history? To enter, join the conversation on today's [Facebook](#) post (and like our page!), tweet at us ([.@twistcollective](#)- the dot is important! And follow us!), or join our [Ravelry](#) group and post in the indigodragonfly discussion (or all three)! You have until the end of today.
