

Happy Tuesday folks! Today's generous benefactor is [The Loopy Ewe](#), and the prizes are pretty great.

Two winners will get their choice of two The Loopy Ewe [Solid Series](#) yarn, and a Twist Collective pattern of their choice! With so many amazing colors to choose from, we know you'll find the pair that are perfect for you. [Perfect Storm](#) is a pretty great contender for a dreamy way to use them. We should know, it's what those mittens there are made from!

Putting two colors together can make both of them more magical. Take a gander at the Loopy Ewe's color palette and tell us which two colors you would want to combine. Only entrants from the US are eligible to win today's prize. You can join in the conversation on today's [Facebook](#) post (and like our page!), or tweet your picks it at us ([.@twistcollective](#)- the dot is important! And follow us!). You have until the end of today.
