

Today's giveaway is brought to you by [Cooperative Press](#), a publisher that brings us unique and exciting knitting books!

They are offering a \$50 gift certificate to use in their online store. There are some amazing and inventive knitting books including the two you see below, plus ones like [Doomsday Knits](#), [Big Foot Knits](#), and [History on Two Needles](#). The best part is that the prices are super reasonable, so \$50 will go pretty far in getting you some pretty pages. You will also get a free Twist Collective pattern of your choosing!

For a chance to win, tell us a story about a knitting book. Did you learn to knit from one? Have a great explanation of grafting that you keep going back to? Did a book inspire you to learn a new skill or take on a challenging pattern? Do you love them as coffee table books, but rarely use the patterns? Did someone give you one as a joke gift? Join in on the conversation by commenting on today's [Facebook](#) post (and like our page!), tweeting at us ([.@twistcollective](#)- the dot is important! And follow us!), or join our [Ravelry](#) group and post in the Cooperative Press discussion (or all three)! You have until the end of today.
