

I have some good news, at least for the bunch of us at the magazine: Mary, our technical director and web wiz, had her baby boy early this morning. Showing up as early as he did, his name was not yet ready for him, so I am not able to share that little detail with you. I do know that he was a healthy 5 pounds, 3 ounces. Mother, baby, and papa are all resting and blissed out and would welcome your good wishes if you care to make them.

Meanwhile, we are not quite sure what this means for our schedule, but we're making plans B and C. We'll let you know as soon as we have anything to share.
