

Kate will be at [Wabi Sabi](#) in Ottawa the evening of May 2nd for a fashion show of the latest Twist Collective patterns, and a little preview of what's to come for summer (which launches June 1st, btw). Show starts at 6, and they'd like an RSVP, so shoot the crew an [email](#) to save yourself a seat.

Meanwhile, that same weekend, Irene will be at [Maryland Sheep and Wool](#). If the weather is suitable, she'll be wearing Julia's version of [Sylvi](#), in the dark grey colour of Briggs and Little Atlantic. She'll be handing out Twist buttons to festoon your knit bag, so make sure you say hi.
