

I remain intrigued by the wardrobe potential for Kristen TenDyke's [Sarabande](#). We shot it for the magazine with a grand ball skirt in a luxurious lair, but I would probably get a lot more use out of it with a pair of jeans. Here's I would wear it, over a striped top with snow boots and a fun satchel. I apologize if the price of the bag throws you off, but this is fantasy after all.

[Sarabande Sunday](#) by [farwellclay](#) featuring [Timberland boots](#)
