

When I released the Sweetheart Scarf, I heard a bit of grumbling that a "boy" version was needed. So I made one. [Introducing.... SWEETSTAR!](#)

Anybody who ordered sweetheart already will be receiving an update to download the new version that now includes both the heart and the star. And just as before, all of the money (seriously, 100%,

I am not seeing a penny from this pattern and we are eating the paypal fees) is going to [Habitat for Humanity's efforts](#) in Haiti.

Here's another shot of [Sweetheart](#) (on my sweetheart even) as a reminder:
