

Darning eggs are perfect for mending socks of all sizes. Hand-turned by David Gilbert and polished to a smooth finish. Each is unique in shape and woodgrain, and measure approximately 2" / 5 cm in diameter and 7¼" / 18.5 cm in length. Picture is for reference, only; because each egg is hand-crafted, the item you receive may differ slightly.

Each hand-crafted darning egg is available for \$24 USD (shipping included) to anywhere in the US. International delivery not available.
