Please note that all yarn bowls have been sold. Since the bowls are hand crafted, each bowl takes many hours to create. As more bowls are added to the shop, we will announce it in the Twist Collective newsletter and/or social media (Twist Collective blog, Twitter, Facebook).

These Yarn Bowls have been hand-turned from green wood and allowed to dry and warp to their current shapes. They are sanded smooth and finished with a gloss finish. Each hand-crafted bowl will become a beloved and essential knitting accessory.
