Page 3 - On the schematic, a line marking the empire waistline has been drawn just above waist shaping. Length measurements for a) the newly drawn empire waistline to the underarm and b) overall garment have been revised.

Page 3 - In the left column, the second paragraph now reads, "Rep Inc row every 4th row 3 more times. **Work 3 rows even after last Inc row.** 161 (181, 197, 217, 233, 253, 269, 289, 305) sts."

Page 3 - In the middle column directly under the heading "All sizes", the following has been added: "Shaping takes place at the armhole and neck edge concurrently. When armhole shaping is complete, maintain the single purl stitch 'gutter' at the armhole edge all the way to the shoulder."

Page 3 - In the right column, the first paragraph now begins, "AT THE SAME TIME, **counting from Row 2**, dec at neck edge every 6th row...."

Page 3 - In the right column, the third paragraph now reads, "**After completing all decs**, work 26 (22, 26, 30, 30, 30, 34, 36, 40) rows even, ending with a RS row."

Page 4 - In both the left and right columns, directly under the heading "All sizes", the following has been added: "Maintain the single purl stitch 'gutter' at the armhole edge all the way to the shoulder."

Page 4 - In the right column, the second-to-last paragraph now reads, "**After completing all decs**, work 27 (23, 27, 31, 31, 31, 35, 37, 41) rows even, ending with a RS row."
