

### VERSION

### CHANGE

08.02.11

Original version

09.26.11

Page 3 - Measurements for the Back width on the schematic have been revised. (The back width measurements are the set of numbers under the Back diagram which span the width of the diagram.) They should read: "17 (18 ½, 20, 21 ½, 22 ¾, 24 ¼, 25 ¾, 27 ¼)" / 43 (47, 51, 54.5, 58, 61.5, 65.5, 69) cm".
