

### VERSION

### CHANGE

04.12.12

Original version

05.04.12

Page 1, right column - Just above the "Finishing" headline, the bind off row has been revised to read: "Next row (WS): With larger needle, BO as follows: \* **P2tog, p1**, return sts to left needle, rep from \* to end."

03.24.14

On page 3, the symbol "M1" was removed from the symbol key.
